How to get here

El Molí is only 7 km from exit 4 of the AP-7 motorway.

After exit 4, at the first big roundabout you have to follow the Figueres-Vilamalla direction, and at the second roundabout continue on towards Figueres; finally, at the third roundabout, turn right in the Vilamalla – Centre Urbà (town centre) direction, along the GIV-6228 road. On arrival at Vilamalla, follow the signs for Siurana, and along the way you'll find El Molí to the left, before you get to the town.
